Please accept this as your authorization and instruction to liquidate and/or transfer “in kind” the assets noted above, which your company holds for me.

If I have begun taking my minimum required distributions from the account which is being transferred to the James Advantage Funds, I understand and acknowledge that I am responsible for notifying the James Advantage Funds of the existence and birth date of any spouse beneficiary which existed on my account as of my required beginning date, as that term is defined in Treasury Regulation 1.401(a)(9); as well as the method of calculation which I elected for determining life expectancy over which required distributions are to be made from the account. Should I fail to provide this information, I understand that future calculations of my minimum required distribution amounts may result in underpayments, which would subject me to a 50% excess accumulations penalty tax.
